**Inspired By Inspiration**  
*Level 1 - 2 hr. Class*

**Course Objective:** To learn the essential components of the graphic idea organizer inspiration.

**Course Description:** In this introductory class, teachers will learn how to design inspiration storyboards, concept ideas, and web maps to enhance curricular content visually. They will also use inspiration to design graphic organizers to promote student understanding of course content.

**Course Syllabus:**
- Introducing Inspiration - Using the Interactive Training Disk
- Overview of Getting Started Manual
- Tutorial mini-lessons - Family Vacation
- Exploring templates that are provided with the program
- Group discussion of ideas about how to use Inspiration in the classroom
