Directions: Look very carefully at the picture. Choose four adjectives that describe the picture. Then think of 4 synonyms or phrases that mean the same as those adjectives. You can use a dictionary or thesaurus to help you. (For example, if you chose and wrote the adjective *new* in the box, you could write any 4 of these words or phrases on the lines—up to date, recent, original, innovative, fresh, latest, up-to-the-minute, or modern.)
