Primary Source Writing Assignment

Long Ago

Today

Directions: Print out the Primary Source that you chose. Cut it out and glue it in the “Long Ago” box above. Think about the ways that the transportation in your picture are similar and different to the transportation we use today. Write a paragraph on the following page describing these similarities and differences. Finally, draw a picture or find a picture from the internet or a magazine showing what the same type of transportation looks like today. Draw or glue this in the second box.
