

# Lesson 4

## Group Presentation

Each member of the group is responsible for one part of this project. After all the members have completed their part they will come together to present the information they found.

1. Visual Aid
2. Essay cause/effects
3. Timeline printed out from inspiration
4. 5 minute speech
5. Summary of information found by all members
6. Details in process used for all members
7. One interesting fact from each member
