Student Self-Evaluation Form

**Directions:** Read each question carefully and thoughtfully. Think about what you have learned from participating in the activities from the website *The Great Chicago Fire: a Cow’s Tale*. Honestly answer each question.

1. If you were to complete this activity again, what would you do differently?

2. Which activity did you do your best work? Why?

3. Describe your involvement in class discussions and activities.

4. Describe the amount of effort you put into each activity. Did you do quality work? Why or why not?

5. What have you learned from these activities that you can transfer into the "real world"?
