Pretend that you are a newspaper reporter.

1. List what you know from studying the photograph.

2. Make a numbered list of the questions you would ask the people in the photo if you were interviewing them. Abbreviate the questions.

3. Make up answers to your questions. Just list the facts from the answers. Number them to go with the questions.

4. Write a five paragraph newspaper article using information from 2 & 3. Give the article an interesting headline. Use another sheet of paper for the article. List any additional facts you have to make up here.
